

Trail Rides at Hitchcock Woods

Hitchcock Woods is a gem in the Aiken County landscape. The Woods is an urban forest and equestrian park offering 2100 acres and over 70 miles of trails with beautiful footing and scenery, right in downtown Aiken. Whether you are a tourist to Aiken for the first time or an Aikenite resident, riding through The Woods is a must do.

With Hitchcock Woods 5 miles away from Red Clay Ranch, we are happy to offer trail rides in this historic horse park. We provide horses, riding helmets, and a guide. Please email, text or call for availability. We often go weekly and can accommodate most scheduling preferences.
